

1986 Chassis Guide

NOTES:

1. All information is provided by the kart manufacturer or distributor; KART-TECH is not responsible for inaccuracies. All information subject to change.
2. Prices are suggested retail in U.S. currency and are exclusive of engines, except where noted.
3. Dry weight is exclusive of engine, drive train and fuel.
4. "N/A" indicates that the item is not applicable to that chassis or to its suggested retail price or the information was not supplied.
5. All ¼-page listings are paid advertisements; karts for which no listing has been bought are listed together at the end of each section.

SPRINT

Eagle

Bob's Kart Shop Inc.
Box 176, 1 N. Walnut
Wedron, IL 60557
(815) 433-4898
Manufacturer

Chassis: Sprint, Speedway

Made in: USA

Suggested Retail Price: \$831 less
engine \$1,226 w/US 820

Frame Material: mild steel

Main Rails (o.d.): 1¼" **Wall:** .109
